

**CURRICULUM VITAE  
PROF. GILDA  
CINNELLA**

**PERSONAL INFORMATIONS**

Name **CINNELLA GILDA**  
Address **257, VIA ABATE GIMMA, 70122 BARI, ITALY**  
Telephone **0039 0805248216 – 320 4394598**  
Fax **0039 0805248216**  
E-mail **g.cinnella@unifg.it**

Nationality ITALIAN  
Date of Birth 22 MARZO 1962

**WORKING EXPERIENCE**

• Since 2005 ASSOCIATE PROFESSOR OF ANESTHESIA AND INTENSIVE CARE  
University of Foggia

Main duties and responsibilities Clinical and experimental research activities and clinical activities at the Department of Anesthesia and Intensive Care

• 1999-2004 ASSISTANT PROFESSOR OF ANESTHESIA AND INTENSIVE CARE  
University of Foggia

Main duties and responsibilities Clinical and experimental research activities and clinical activities at the Department of Anesthesia and Intensive Care

• 1999 ASSISTANT PROFESSOR OF ANESTHESIA AND INTENSIVE CARE  
University of Bari

Main duties and responsibilities Clinical and experimental research activities and clinical activities at the Department of Anesthesia and Intensive Care

• 1989-1999 STAFF ANAESTHESIOLOGIST  
Hospital 'Policlinico'- BARI  
Department of Anesthesia and Intensive Care  
Main duties and responsibilities Staff anaesthesiologist (Obstetrics and Gynecology), 1989-90, Cardiosurgery, 1990-91, e il Intensive Care, 1991-99.

• 1988-1989 INTERNE DE SPECIALITE  
Université Paris XII- Créteil, France  
Service de Réanimation Médicale, Hopital Henri Mondor  
Main duties and responsibilities Clinical and experimental research activities and clinical activities at the Réanimation Médicale.

**EDUCATION**

- 2000 *Certificate in Epidemiological Methodology*  
University of BARI  
Thesis "Effectiveness of the trans-oesophageal echocardiography in the diagnosis of aortic traumatic injury: meta-analysis of the literature".  
50/50 and honours
- 1994-1998 *Residency in Pneumology*  
University of BARI  
Thesis "Comparison between two methods of measure of the airways occlusion pressure (P0.1) during assisted mechanical ventilation in BPCO patients with intrinsic PEEP"  
50 /50 and honors
- 1986-1989 *Residency in Anesthesiology and Intensive Care*  
University of BARI  
Thesis "Evolution in ' vivo' of the resistance and the diameter of the endotracheal tubes".  
50 /50 and honors
- 1986 STAGE at SERVICE DE NEPHROLOGIE ET D'HEMODIALYSE, HOSPICES CIVILS, UNIVERSITE DE STRASBOURG, FRANCE
- 1986 *M.D. Degree*  
University of BARI  
Thesis "Endotoxins in the pathogenesis of the epato-renal syndrome"  
110/110 and honors

## LANGUAGES.

MOTHERTONGUE      **ITALIAN**

## AWARDS

**2015** European Society of Regional Anesthesia & pain Therapy – Best ePoster competition 34<sup>th</sup> ESRA Congress. The prize has been awarded for the poster entitled: **Spinal anesthesia: comparison of two different doses of Levobupivacaine for cesarean delivery.** D'Ambrosio A, Beck R, Salatto P, Del Vecchio P, Zibar L, D'Antini D, Mirabella L, **Cinnella G.** Reg Anest & pain Med, 2015; 40(5):S1, e177

**2014** European Society of Anesthesiology –Baxter prize, awarded for a clinical, peer-reviewed publication or a laboratory peer-reviewed publication of significant relevance on the following area of interest: Improving patient recovery after general anaesthesia. The prize has been awarded for the paper entitled: Effects of recruitment maneuver and positive end-expiratory pressure on respiratory mechanics and transpulmonary pressure during laparoscopic surgery. **Cinnella G,** Grasso S, Spadaro S, Rauseo M, Mirabella L, Salatto P, De Capraris A, Nappi L, Greco P, Dambrosio M. Anesthesiology. 2013 Jan;118(1):114-22

**2011** Award from the Società Italiana di terapia del Dolore (FEDEROLORE), VI National Congress for the communication entitled “Symptoms and sensory profiling in 11 patients with trigeminal neuralgia”

**2005** Award from the Società Italiana di Analgesia, Anestesia, Rianimazione e Terapia Intensiva (SIAARTI), held at the 59th National Congress of the SIAARTI, for the communication entitled: “Continuous epidural anaesthesia: levobupivacaine vs levobupivacaine-sufentanyl. Neuroendocrine response effects and gene polymorphism for the opioids

## ORGANIZATION SKILLS

**2015** **Italian Government Labor Dept: National Observatory on Disabilities: working group n. 4 “Students training and school inclusion”**

**since 2013** **Rector Delegate for Special Needs Students**

**2013** **Member of the Ethics Committee ‘Riuniti’Hospital, Foggia**

**Since 2012** **Programme Director of the School for Nurses, University of Foggia.**

**2008-2012** **Graduate Programme Director of the Master in Nursing, University of Foggia**

**2007-2010** **Director of the Residency School in Anesthesia and Intensive Care University of Foggia**

**2005-2006** **Director of the Residency School in Geriatrics – University of Foggia**

**2004-2008** **Chairman of the Medical School’s Didactic Commission**

**2002-2006** **Rector delegate for the work group CRUI on the 6° FP of European Community.**

**2000-2010** **Coordinator Socrates/Erasmus program – Faculty of Medicine -University of Foggia**

**2002-2004** **Member of the Academic Senate, University of Foggia**

**2000-2006** **Rector delegate for Scientific research - University of Foggia**

**1999-2001** **Member of the University Administrative Board - University of Foggia**

## ACADEMIC ACTIVITIES

## TECNICAL SKILLS

**2016** European commission Horizon 2020: PHC 21 – 2016: Scaling up evidence in public health.

**2015** European commission Horizon 2020: PHC 30 – 2015: Digital representation of health data to improve diagnosis and treatment

**2013 - 2014** European commission Horizon 2020: PHC 23 – 2014: Developing and comparing new models for safe and efficient, prevention oriented health and care systems

**2013** Czech-Norwegian Research Programme (CZ09) financed from Norway Grants

**2013** European Commission 7<sup>th</sup> FP: HEALTH.2013 INNOVATION, theme: Understanding and controlling pain.

**2012** European Commission 7<sup>th</sup> FP – eCOST Trans Domain Proposal action

**Since 2012** European Food Safety Authority (EFSA)

**Since 2012** Agenzia Italiana del Farmaco (AIFA): included in the experts database

**2012** Referee for the Italian Government in the VQR (Quality of Research evaluation) activity

**2010-12** European Commission 7<sup>th</sup> FP: HEALTH.2013 theme: Comparative effectiveness research (CER) in health systems and health services interventions

**2008-12** Referee for Young investigator grants (Futuro in Ricerca) Italian Government

**2008-12** Referee for National research projects (PRIN) Italian Government.

**2006** Referee for Piedmont Region (Italy), Bando per Progetti Strategici di Ricerca Industriale

**2005** Referee for European Commission 6<sup>th</sup> FP – NEST and MARIE CURIE actions

**2005** Referee for European Commission 6<sup>th</sup> FP – eTEN actions  
**Since 2002** Reviewer of the journals: Minerva Anestesiologica, Intensive Care Medicine, Critical Care medicine, BMC Anesthesiology, Int J of Nanomedicine, American Heart Journal, Redox Report, Thorax, J of Inflammation, J Clinical Monitoring and Computing, J of Pain Research

**TECNICAL SKILLS**

**2016-18**

**SCIENTIFIC BOARDS**

Member of the Board of the SIAARTI (Società Italiana di Anestesia, Analgesia, Rianimazione e Terapia Intensiva)

**Since 2016** Member of the Scientific Committee of the European Society of Anesthesiology, subcommittee 2, ambulatory surgery

## **RESEARCH PROJECTS**

**Since 2013** Member of the Steering Committee of the PROBESE (protective ventilation and postoperative pulmonary complications in obese patients), a prospective multicenter randomized international cohort study, conducted by the European Society of Anesthesiology

**2011-2012** National coordinator of the LAS VEGAS (Local assessment of ventilator management during general anesthesia for surgery and affects on postoperative pulmonary complications) a prospective multicenter international cohort study, conducted by the European Society of Anesthesiology

**2010-2011** Local coordinator of the PROHILO study (Protective ventilation during general anaesthesia for open abdominal surgery) a prospective multicenter international cohort study sponsored by the Academish Medish Centrum – University of Amsterdam (NL) and conducted by the European Society of Anesthesiology

**2010-2012** National coordinator of the PAIN OUT (postoperative pain research project), a prospective multicenter international cohort study founded by the European Commission and conducted by the European Society of Anesthesiology

### Research Grants, Active as Co-Investigator:

**2015-2017** “Pre.C.I.O.U.S. (Predictive Computer aided scoring support system): Sistema per l’ottimizzazione delle procedure e dei percorsi assistenziali nella pratica clinica ospedaliera”, source Italian gouvernement, Regione Puglia, project I4W9R64, start 19.11.2015 end 18.11.2017

**2007-2011** Evaluation and validation of new devices for monitoring and extracorporeal treatment of patients with severe sepsis”, source Italian Gouvernemnt - Regione Puglia

**2006** “ARDS and mechanical ventilation: respiratory markers”, source University of Foggia.

**2004** “Pharmacogenetics of the analgesic drugs in the post-operative patients” source University of Foggia.

**2004** PRIN 2004 - "Identificazione della componente eredo-familiare nella patogenesi dell’ictus ischemico giovanile”, source Ministero dell’Università;

**2002** PRIN 2002 - "Effects of general anesthesia on oxidative stress in patients with pre-eclampsia undergoing Caesarean section ", source Ministero dell’Università

### Research Grants, Active as Principal Investigator:

**2003** “Effects of general anesthesia on oxidative stress in patients undergoing Caesarean section” source University of Foggia”.

**2002** “Effects of opioids on oxidative stress”, source University of Foggia

**2001** “Effects of opioids on surgical stress”, source University of Foggia

**2000** "Effects of various systems of humidification of the airways on the tracheobronchial cells", source University of Foggia

**1992-99** reference investigator for the Dept of Anaesthesiology and Intensive Care, involved in the epidemiology studies launched from the Mario Negri Institute, Milano, Italy on behalf of the Gruppo Italiano Valutazione Interventi in terapia Intensiva (GiViTi).

**1990-99** reference investigator for the Dept of Anesthesiology and Intensive Care, involved in Italian and international multi-centre studies on the antibiotic therapy.

## OTHER SKILLS

2013-16

Doctorate in "Medicina sperimentale e rigenerativa" University of Foggia, 2013

2012-2013

Doctorate in "Scienze neuropsichiatriche, cardiopneumologiche e dell'invecchiamento", University of Foggia, 2012

2000-2006

Doctorate in "Didattica della medicina", University of Foggia,

### Teaching in Residency Schools

SINCE 1990

Residency School in Anaesthesia and Intensive Care, Medical School, University of Bari, Italy

SINCE 2001

Medical School, University of Foggia:

Residency School in Anesthesia and Intensive Care;

Residency School in General Surgery,

Residency School in "Chirurgia dell'Apparato Digerente"

Residency in Geriatrics

Residency School in Plastic Surgery

Residency in Thoracic Surgery

### Teaching in School of medicine, University of Foggia

SINCE 1999

Course of Pain Therapy

Course of Intensive Care

Course of Hyperbaric Medicine

Course of Anaesthesia

## PERSONAL INTERESTS

SINCE 2008

SOMMELIER CERTIFIED FORM AIS (ASSOCIAZIONE ITALIANA SOMMELIERS)

## MEMBERSHIPS

Società Italiana di Anestesia, Analgesia, Rianimazione e Terapia Intensiva (SIAARTI)

European Society of Intensive Care medicine (ESICM)

European Society of Anaesthesiology (ESA)

## BIBLIOGRAPHY

### 2016

1. Bellanti F, Mirabella L, Mitarotonda D, Blonda M, Tamborra R, **Cinnella G**, Fersini A, Ambrosi A, Dambrosio M, Vendemiale G, Serviddio G.

Propofol but not sevoflurane prevents mitochondrial dysfunction and oxidative stress by limiting HIF-1 $\alpha$  activation in hepatic ischemia/reperfusion injury.

Free Radic Biol Med. 2016 May 3;96:323-333. doi: 10.1016/j.freeradbiomed.2016.05.002. [Epub ahead of print] PubMed PMID: 27154980.

2. Pesenti A, Musch G, Lichtenstein D, Mojoli F, Amato MB, **Cinnella G**, Gattinoni L, Quintel M.

Imaging in acute respiratory distress syndrome.

Intensive Care Med. 2016; 42(5), 686-98 Review. PubMed PMID: 27033882. DOI 10.1007/s00134-016-4328-1

3. Cutuli SL, Artigas A, Fumagalli R, Monti G, Ranieri VM, Ronco C, Antonelli M; EUPHAS 2 Collaborative Group.. Polymyxin-B hemoperfusion in septic patients: analysis of a multicenter registry.

Ann Intensive Care. 2016 Dec;6(1):77. doi:10.1186/s13613-016-0178-9. PubMed PMID: 27502196.

4. Nappi L, Angioni S, Sorrentino F, **Cinnella G**, Lombardi M, Greco P. Anti-Mullerian hormone trend evaluation after laparoscopic surgery of monolateral endometrioma using a new dual wavelengths laser system (DWLS) for hemostasis.

Gynecol Endocrinol. 2016 Jan;32(1):34-7. doi: 10.3109/09513590.2015.1068754. Epub 2015 Aug 28. PubMed PMID: 26359914.

5. Di Mussi R, Spadaro S, Mirabella L, Volta CA, Serio G, Staffieri F, Dambrosio M, **Cinnella G**, Bruno F, Grasso S.

Impact of prolonged assisted ventilation on diaphragmatic efficiency: NAVA versus PSV.

Crit Care. 2016 Jan 5;20(1):1. doi: 10.1186/s13054-015-1178-0

## 2015

6. Fletcher, D, Stamer, U.M., Pogatzki-Zahn, E., Zaslansky, R., Tanase, N.V., Perruchoud, C., Kranke, P., Komann, M. Lehman, T., Lavand homme, P., Vercauteren, M., Meissner, W., Iohom, G., **Cinnella, G.**, Aurilio, C., Belii, A., Filipescu, D., Rehberg-Klug, B., Decostered, I., Suter, M.R., Blumenthal, S., Puig, M., Garcia-Filoso, A., Brandner, B., Varvinskiy, A.M., Lisnyy, I., Kuchyn, I.

Chronic postsurgical pain in Europe: An observational study

European J Anesthesiol, 2015 , 32(10): 725-34

7. D'Ambrosio A, Spadaro S, Natale C, Cotoia A, Dambrosio M, **Cinnella G**.

Continuous spinal analgesia with levobupivacaine for postoperative pain management: Comparison of 0.125% versus 0.0625% in elective total knee and hip replacement: A double-blind randomized study.

J Anaesthesiol Clin Pharmacol. 2015 Oct-Dec;31(4):478-84. doi: 10.4103/0970-9185.169066.

8. **Cinnella G**, Grasso S, Raimondo P, D'Antini D, Mirabella L, Rausedo M, Dambrosio M. Physiological Effects of the Open Lung Approach in Patients with Early, Mild, Diffuse Acute Respiratory Distress Syndrome: An Electrical Impedance Tomography Study.

Anesthesiology. 2015 Nov;123(5):1113-21. doi: 10.1097/ALN.0000000000000862.

9. Enrolling patients into multiple trials: it is time for glasnost

**Cinnella G**. 2015 Crit Care Med 43(2):495-6.

2014

10. High versus low positive end-expiratory pressure during general anaesthesia for open abdominal surgery (PROVHILO trial): a multicenter randomized controlled trial.

## 2011

21. A. De Capraris, **G. Cinnella**, A. Marolla, P. Salatto, S. Da Lima, P. Vetuschchi, L. Consoletti, L. Gesualdo and M. Dambrosio

MICRO OPIOID RECEPTOR A118G POLYMORPHISM AND POST-OPERATIVE PAIN:  
OPIOIDS EFFECTS ON HETEROZIGOUS PATIENTS

Int J Immunopathol Pharmacol, 2011, 24:993-1004.

**2010**

22. Cela O, Piccoli C, Scrima R, Quarato G, Marolla A, **Cinnella G**, Dambrosio M, Capitanio N.

Bupivacaine uncouples the mitochondrial oxidative phosphorylation, inhibits respiratory chain complexes I and III and enhances ROS production: results of a study on cell cultures.

Mitochondrion 2010; 10:487-496.

23. Schortgen F, Girou E, Deye N, Brochard L; CRYCO Study Group (collaborators 200)  
Do hyponcotic fluids for shock increase the risk of late-onset acute respiratory distress syndrome?

Intensive Care Med. 2010;36(10):1724-34.

Prof. Gilda CINNELLA is coauthor, as listed in the appendix of this paper

**2008**

24. Galante D, Pellico G, Meola S, Caso A, De Capraris A, Milillo R, Mirabile C, Olivieri M, **Cinnella G**, Dambrosio M.

Hemodynamic effects of levobupivacaine after pediatric caudal anesthesia evaluated by transesophageal doppler.

Paediatr Anaesth. 2008 Nov;18(11):1066-74

25. **Cinnella G**, Grasso S, Natale C, Sollitto F, Cacciapaglia M, Angiolillo M, Pavone G, Mirabella L, Dambrosio M.

Physiological effects of a lung-recruiting strategy applied during one-lung ventilation.

Acta Anaesthesiol Scand. 2008 Jul;52(6):766-75.

26. Schortgen F, Girou E, Deye N, Brochard L; CRYCO Study Group (collaborators 200)  
The risk associated with hyperoncotic colloids in patients with shock.

Intensive Care Med. 2008 Dec;34(12):2157-68.

Prof. Gilda CINNELLA is coauthor, as listed in the appendix of this paper

**2007**

27. **Gilda Cinnella**, MD; Salvatore Meola, MD; Aurelio Portincasa, MD; Domenico Parisi, MD; Francesco Morgese, MD; Giovanna Pavone, MD; Michele Dambrosio, MD, PhD

Sedation-analgesia during office-based plastic surgery procedures: comparison of two opioids regimens.

Plast Reconstr Surg, 2007, 119(7):2263-2270.;

28. Marucci M, **Cinnella G**, Brienza N, Perchiazzi G, and Fiore T:

Patient-requested Neuraxial Analgesia for Labor: Impact on Rates of Cesarean and Instrumental Vaginal delivery.

Anesthesiology, 2007, 106:1035-45.

29. Galante D, Pellico G, Federico A, Schiraldi R, Matella M, Milillo R, Dambrosio M, **Cinnella G**:

Postextubation adverse events in children undergoing general anesthesia.

Paediatr Anaesth. 2007 Feb;17(2):192; author reply 193.

30. Galante D, Pellico G, Federico A, Schiraldi R, Matella M, Milillo R, Dambrosio M, **Cinnella G**:  
Anesthesia for congenital insensitivity to pain with anidrosis.  
Paediatr Anaesth. 2007 Feb;17(2):192; author reply 193.

31. Galante D, Dambrosio M, **Cinnella G**, Pellico G, Federico A, Pugliese P, Sforza D:  
Volatile agents and caudal block.  
Paediatr Anaesth. 2007 Apr;17(4):398-399.

32. G. Cinnella, G. Vendemiale, M. Dambrosio, G. Serviddio, P.L. Pugliese, G. Aspromonte, and E. Altomare.  
EFFECT OF PROPOFOL, SEVOFLURANE, AND DESFLURANE ON SYSTEMIC REDOX BALANCE  
Int J Immunopathol Pharmacol, 2007 Jul-Sep;20(3):585-93.

## 2006

33. Jaundice in critical illness: promoting factors of a concealed reality.  
Nicola Brienza, Lidia Dalfino, **Gilda Cinnella**, Caterina Diele, Francesco Bruno, Tommaso Fiore  
Int Care Med, 2006, 32(2): 267-274.

34. Dalfino L, Malcangi V, **Cinnella G**, Brienza N:  
Abdominal hypertension and liver dysfunction in intensive care unit patients: an 'on-off' phenomenon?  
Transplantation Proceedings, 2006;38:838-40

## 2005

35. **Cinnella G**, Giardina C, Fischetti A, Lecce G, Fiore MG, Serio G, Carravetta G, Dambrosio M, Fiore T.  
Airways humidification during mechanical ventilation. Effects on tracheobronchial ciliated cells morphology.

77. Nicola Brienza, Michele Dambrosio, **Gilda Cinnella**:

Hemodynamic changes during major liver surgery.

Proceedings of 2<sup>nd</sup> International Meeting "Dialogues on Anaesthesia and Intensive Care", Napoli, 4-6 febbraio, 1999, pp:187-189.

## 2000

78. N Brienza, M Dambrosio, **G Cinnella**:

Hemodynamic pressure and volumetric values during liver surgery.

Proceedings of 3<sup>rd</sup> Udinese Meeting "Liver Anaesthesia and Intensive Care", Tarvisio, 10-11 marzo 2000, pp:67-69.

## ORIGINAL ARTICLES ISSUED FROM MULTICENTER STUDIES

prof. Gilda CINNELLA IS coauthor of all these papers. The list of coauthors is in the appendix of each paper.

## 1992

79. GiViTi:

Risultati preliminari di uno studio multicentrico sui profili di cura e sull'outcome di pazienti ricoverati in reparti di Terapia intensiva.

Minerva Anesthesiol 58; 10:927-929, Edizioni Minerva Medica, Torino.

80. G Apolone, L Brazzi e C Pesce a nome del GIVITI:

Studio multicentrico sui profili di cura e sull'outcome di pazienti ricoverati in reparti di Terapia Intensiva italiani.

Lista dei coautori in appendice.

Minerva Anesthesiol, 58:1297-1303, 1992, Edizioni Minerva Medica, Torino.

81. G Iapichino, GIRTI I e II (Gruppo Italiano di Ricerche in Terapia Intensiva):

Intensive Medicine in Italy: Metropolitan Epidemiological Observatory - 1988-1991. Lista dei coautori in appendice.

Proceedings of Recent Advances in Anaesthesia Pain, Intensive Care and Emergency, A. Gullo ed, Trieste, 1992, pp:353-355.

**1993**

82. Gruppo Italiano Multicentrico di Ricerche in Terapia Intensiva (GIRTI II):

La medicina intensiva in area metropolitana- Update 1992. Lista dei coautori in appendice.

Minerva Anesthesiol, 59: 389-394, 1993, Edizioni Minerva Medica, Torino.

83. Gruppo Italiano Multicentrico di Ricerche in Terapia Intensiva (GIRTI II):

Conversione tra APACHE II e SAPS. Lista dei coautori in appendice.

Minerva Anesthesiol, 59:451-453, 1993, Edizioni Minerva Medica, Torino.

84. GIVITI investigators:

Variation in health care practices and outcome: results from a cohort of patients cared for in 114 italian intensive care units.

Lista dei coautori in appendice

Minerva Anesthesiol, 59: 227-228, 1993, Edizioni Minerva medica, Torino.

85. Torri G, Gattinoni L, Langer M, Salvo I, Musicco M, De Cian W, Piadena R:

Multicenter Epidemiological Study on the incidence of sepsis - Presentation of the research project.

Lista dei coautori in appendice.

Proceedings of Recent Advances in Anaesthesia Pain, Intensive Care and Emergency, A. Gullo ed, Trieste, 1993, pp:725-727.

86. Lemeshow S, Teres D, Klar J, Avrunin JS, Gehlbach SH, Rapoport J:

Mortality prediction model (MPM II) based on an international cohort of intensive care unit patients. Lista dei coautori in appendice.

JAMA, 270:2478-2486, 1993, Chicago, USA.

87. Le Gall JR, Lemeshow S, Saulnier F:

A new simplified acute physiology score (SAPS II) based on a european/north american multicenter study. Lista dei coautori in appendice.

JAMA, 270:2957-2963, 1993, Chicago, USA.

88. L Brazzi, C Pessina a nome del GiViTi:  
La Terapia intensiva in Italia: risultati dal GiViTi.  
Atti del IV Convegno di Studio "Rianimazione Cardiopolmonare e Cerebrale: Attualità ed esperienza". Castello di Sartirana (PV) 18 settembre 1993, pp:155-160.

#### **1994**
